**PERMISSION TO POST NAMES OR PICTURES TO THE
INTERNET**

Academic Year Date: 2012/2013

Dear Parent/Guardian:

We are excited to be able to share school events and student accomplishments with the world via the Internet. We would like to showcase your child’s work or accomplishment on the World Wide Web.

Electronic pages (materials posted to the Internet) are like newspaper articles, except that they can be seen all over the world by anyone with an Internet connection. Posting student work to the Internet allows students to show their work to countless others. It offers them the feeling of being famous, published worldwide. As part of the worldwide community, our local community can access student work, pictures, and other electronically posted materials. Thus, students share part of themselves with their friends, family, and extended family members.

Not all parents/guardians may wish for their child’s picture, name, or other materials to be included in an Internet presentation. In considering whether or not you would like your child’s picture, name, or work to be posted, please understand that your child’s address, phone number, or other personal data will never be posted. If you prefer that your child’s picture not be included, this will in no way adversely affect any credit or recognition your child may receive for his or her work or accomplishments.

NO STUDENT PHOTOS, NAMES, OR WORK WILL BE INCLUDED WITHOUT PARENTAL CONSENT.

If you have further questions, feel free to call your child’s school or teacher before signing.

Granting permission to post your child’s picture, name, or work will apply to this academic year only.

I hereby grant to the Rim of the World Unified School District and its representatives permission to use one or all of the following. Initial all that apply:
